

Colony PROGRAMME

Spring 2014

Our Colony is working hard to achieve the highest award available in Scouting for Beavers; the Chief Scout's Bronze Award. It is gained by completing the Creative, Community, Fitness, Global Outdoor and Promise Challenges. We try to complete as many sections of the Challenge Awards each term as every Challenge Award has multiple requirements. We hope each Beaver will try their best to earn this award; only those meeting all requirements will be eligible to receive the award.

January Subs of £30 are due. Please make cheques payable to [4th Ewell \(Nonsuch\) Scout Group](#). Please note, subs will increase to £35 if not paid by 10th February.
